EXPERIENCE

Director, Strategic Alliances
09/2024 - Present

OpenText

Mandate Drive the regional alliance agenda in a SAP-centric ecosystem; make partner motions repeatable in the field

Ecosystem Design

- Establish the *joint operating rhythm*: priorities, governance cadence, and escalation paths across partner field and internal stakeholders
- *Define partner motions* for transformation programs: where to attach, who leads, and how the field executes
- *Translate alliance strategy* into field execution with clear decision points (opportunity qualification, deal structure, approvals)

Impact

- Recognized through Regional *Partner of the Year*, contributed to a global *Pinnacle Award* linked to ecosystem success
- Market-facing presence for integrated toolchain messaging (stage; video formats)

Alliance Director, EMEA
04/2011 - 08/2024

Hewlett Packard Enterprise, Micro Focus

Mandate Build and scale a software-focused channel and alliance business and expand it from a smaller base into a broader EMEA footprint

Ecosystem Design

- *Aligned portfolios* and industry plays with platform and ecosystem partners; structured joint GTM while integrating two software business units across EMEA
- Collaborated on joint offerings and coverage models to *deliver sustained year-on-year alliance growth*
- Created the *Digital Life Garage partnership*, establishing a joint digital experience center that showcased ecosystem solutions in a live customer-facing environment

Impact

- Four Presidents Clubs; one Partnership of the Year award

Director, Infrastructure Software
06/2010 - 03/2011

S&T

Mandate: Design and implemented a software-led growth strategy in a traditionally hardware-focused environment

Ecosystem Design

- Created strong partnerships with Independent Software Vendors to expand the Hardware business in CEE
- Set up multi-country delivery structures across CEE

Sales Director
08/2007 - 06/2010

Materna Information

Mandate Stabilize and reposition a challenged sales unit

- Built a high performance sales team
- Focus pipeline generation and sales execution in the public sector in Austria
- Rebuilt customer trust in the Oil & Gas and public sector
- Established a sustainable, process-driven sales model

Chief of Staff to SEVP Sales
08/2003 - 06/2007

T-Systems

- **Mandate**: Support the SEVP in daily operations, prepare executive decisions
- Early career exposure to complex international enterprise accounts and executive decision-making
- Support German market unit operations and Telco sales

EDUCATION

PhD (Candidate) — 03/2024
Vienna University of Economics and Business (WU Vienna) — Vienna, Austria

MSc, International Business — 10/1997 - 07/2002
University of Vienna — Vienna, Austria

MSc (Study Abroad) — 07/1999 - 07/2000
The University of Melbourne — Melbourne, Australia

SUMMARY

Senior channel and alliance leader with 15+ years in enterprise software. Built and scaled partner-led growth across DACH, CEE and the Middle East, working with platform vendors, SIs, ISVs, distributors and field organizations. Currently Director, Strategic Alliances at OpenText, reporting to the Global VP of Strategic Alliances and leading the regional agenda in a SAP-centric enterprise ecosystem. Track record in turning partner strategy into repeatable GTM motions and measurable outcomes, with sustained overachievement against targets across multiple years. Recognized for ecosystem impact (Regional Partner of the Year, Presidents Club, contributor to a global Pinnacle Award). PhD candidate (WU Vienna). Research focus: how CEO (dis)engagement signals shape trust, governance quality and whether strategic alliances scale or stall.
